SKIMMER

MH-FR Series

Unique Floating Scum and Oil Collecting System

Liquid temperature : 0 °C to 40 °C / +32 °F to +104 °F

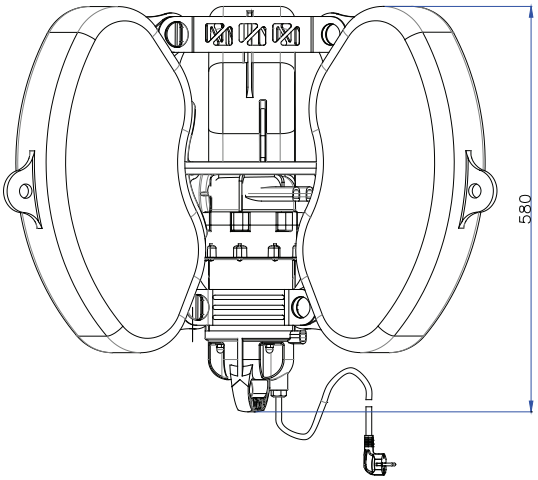

HP range : 250W ~ 750W (1/3HP ~ 1HP)

PH : 6 ~ 8

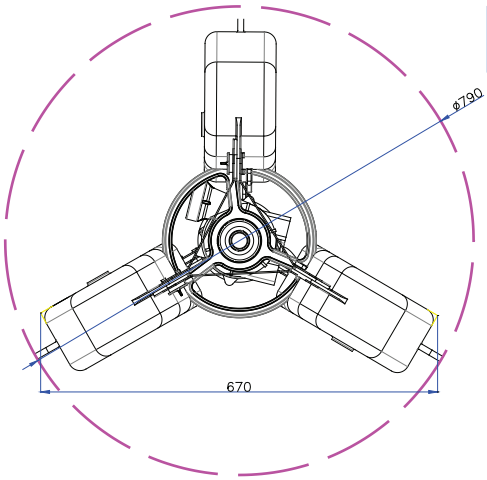

Protection class : IP68

SKIMMER
MH-FR series

DIMENSIONS

DESCRTPTION

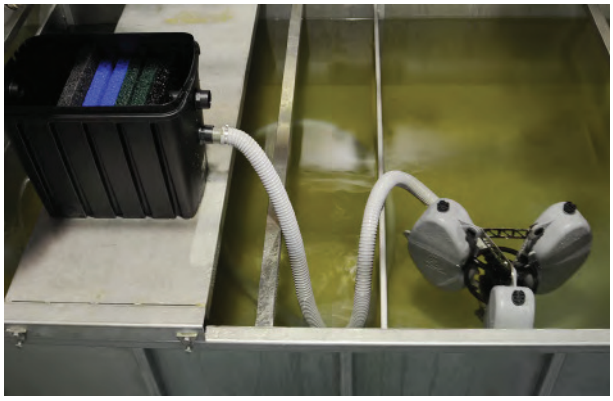

A new idea for scum skimming and oil collecting

Floating pump for colleting or transferring oil. The MH-FR efficiently removes high-viscosity scum, sludge containing oil or floating oil in various kinds of wastewater, it also effective to collect floating oil in a coolant tank.

APPLICATION

Specification

Disch. Bore		Model No.	Motor Output		PH.	Voltage	Impeller Passage (mm)	Cord Length
Inch	mm		HP	W				
2"	50	MH-250-FR	1/3 HP	250 W	1	110-240V	24	10 M
2"	50	MH-400-FR	1/2 HP	400 W	1	110-240V	24	10 M
2"	50	MH-750-FR	1 HP	750 W	1	110-240V	24	10 M
